Barbera d'Asti

93 Luigi Coppo & Figli Barbera d'Asti Pomorosso

1994 \$44 Barbera at its best—ripe, rich, thick and seductive from start to finish. This super-exciting red is bursting with wild berry flavors and clean, clear earth notes, yet it's untouched by complicated oak notes. The supple tannic structure makes it a delight to drink now through 1999, while the fruit is there.
